1 This table contains counts, percentages, and averages for charges that resulted in a guilty finding or bail forfeiture during the reporting period. Guilty findings include charges disposed with a finding of guilt resulting from the revocation of a deferred prosecution or other deferral program. The table does not include charges awaiting sentencing.

2 The columns are defined as follows:

- Imposed Number--the number of charges where the sentence condition was imposed.
- Imposed Percent--the percentage of total guilty charges in that row which imposed that sentence condition.
- Imposed Average--the average number of days or dollars imposed for that sentence condition.
- Ordered to Serve/Pay Number--the number of charges where the sentence condition was ordered to be served/paid.
- Ordered to Serve/Pay Percent--the percentage of total guilty charges in that row where the sentence condition was ordered to be served/paid.
- Ordered to Serve/Pay Average--the average number of days or dollars that were ordered to be served/paid for that sentence condition.

Note: Data in this statewide table are not comparable to those presented in the court-level DUI table. This table uses the number of charges, while figures in the court-level DUI table are based on the number of cases. In addition, these four reports on charges disposed do not include data from Seattle Municipal Court.
